WHERE CAN MATH TAKE YOU?

EVERYONE CAN BE A SCIENTIST

"It takes courage to do something that you enjoy and are passionate about. Do not let money get in the way or hard work deter you from or keep you from doing it. If an opportunity comes your way, take it!"

-Dr. Anahi Ortiz-

DID YOU KNOW?

Math can take you to THE BIG careers! (THE BIG = teaching, higher education, business, industry, and government.)
It is also a lot of fun!

Dr. Anahi Ortiz is the appointed Franklin County Coroner. In her work, she uses statistics to visualize data about the public health of Franklin Country.

Dr. Ortiz grew up in New York City and noted that her inspiration to pursue a career in STEM was influenced by her mother who shared insights about her love for mathematics. Dr. Ortiz attended the City College of New York and pursued a 6- year BS/MD degree where she focused on her goal of becoming a pediatrician.
